Records Management Policy

Forward Education Trust recognises that by efficiently managing its records, it will be able to comply with its legal and regulatory obligations and to contribute to the effective overall management of the institution.

This document provides the policy framework through which this effective management can be achieved and audited. It covers:

This will help ensure that the Trust can meet Freedom of Information Requests and respond to requests to access personal data under data protection legislation subject access requests "SARS".

2.4.1 Manage academy records consistently in accordance with the Trust's policies and procedures;
